Workshop Title: **Introduction to the MyInfinitec.org Website**

<http://www.myinfinitec.org>

A number of special education cooperatives are employing Infinitec heavily as a resource for classroom strategies, accommodations, or modifications.

Many are also using it as a primary resource for their paraeducators' inservice training and professional development training.

The Infinitec Coalition provides members the benefits of a viable network that works to maximize resources, provide programs and services to special and general education teachers
